

The College Church of Seventh-day Adventists

You can start to feel very superior to everyone else and think, "God is pleased with me because I'm so true to the right doctrine." The right doctrine and one's moral record are forms of power... There are religious versions [of idolatry] and they are pretty subtle.

- Tim Keller

CHURCH FINANCE UPDATE FROM THE FINANCE COMMITTEE

This church family has been so faithful. We've raised over \$83,000 toward the renovation goal of \$105,000, and our church budget even improved a bit at the same time! But we are still short of completing our projects and still fall a bit short from month to month on our ongoing obligations. All we can do is say, "Thank you!" and remind you that we still need to pull together in these matters.
